

## COSMOPOLITAN

**QUALITY** Corrected-Grain

**HIDE SIZE (Av)** 4.5 sq metres

**THICKNESS** 1 – 1.1 mm

COSMOPOLITAN is a superior example of a Corrected-Grain leather as it has not been too aggressively buffed. The embossing is attractive and not too heavy hence the leather still has a large degree of softness.

A selection of very clean hides - with a minimum of marks and scars, assures upholsterers of an excellent cutting yield.

All 20 of the fashionable colours are available exstock. COSMOPOLITAN is suitable for both commercial and domestic applications where budget is limited.

Characteristic	Test Method	Test Results
